

## Trek 360 Multifunction Stretcher

- Very simple, easy to use and durable.
- One handed operation to convert easily from a stretcher to a chair with multi positions.
- Easily adjustable, gas-assist backrest with infinite positions.
- Maximum versatility for patient transport and is ideal for confined spaces such as tight hallways, small elevators and narrow staircases, eliminating the need to transfer the patient.
- Multi-position chair and lay flat for patient examination.
- Collapsible frame for ground level operation and vehicle loading.
- Swing down side arms for convenient patient transfer.
- Stainless steel, anti-corrosive frame.
- Pull off, easy to clean mattress with patient straps.
