DID YOU KNOW?

Work vehicles are considered a workplace.

“A portable First Aid Kit should be provided in the vehicles of mobile workers if that is their workplace (for example, couriers, taxi drivers, sales reps, bus drivers and inspectors)”

FIRST AID KITS FOR COMMERCIAL VESSELS

What is NSCV?

National Standard for Commercial Vessels (NSCV)

The NSCV is the Legislation and Marine Safety Standards which govern health and safety for commercial vessels. NSCV is a standard that covers aspects of vessel design and construction which are vitally important to the health, safety and wellbeing of passengers and crew.

Between 2005 - 2008 there were 2,760 reported incidents onboard commercial vessels in Australia.

**Are you prepared with an NSCV
compliant First Aid Kit?**

See page 32 for more detail.
